7. This is a renewal of the mandate obtained from members at the last Annual General Meeting ("the previous mandate"). The previous mandate was not utilised and accordingly no proceeds were raised. The Ordinary Resolution 9 proposed if passed, will give the directors the authority to issue shares up to an aggregate amount of not exceeding 10% of the issued capital of the Company for the time being for such purposes as the directors would consider in the best interest of the Company. This authority, unless revoked or varied by the Company in a general meeting will expire at the conclusion of next Annual General Meeting of the Company.

The renewal of this mandate will provide flexibility to the Company for any possible fund-raising activities including but not limited to any placing of shares for purpose of funding future investment projects, working capital and/or acquisitions.
