## Leader, MKCSS team up for bid

LEADER Universal Holdings Bhd has entered into a joint-venture agreement with MKCSS Holdings to bid for a 200MW coal-fired power plant project in Cambodia. The 50:50 joint venture, if successful, will operate the plant for 30 years and sell electricity to Electricité du Cambodge, the company told Bursa Malaysia. The total project cost, equity contribution and project financing details have yet to be finalised.
